

# Charlie Harvey believes Shawano Country is on a roll.

“I am proud to call Shawano Country Home. I live here, raised a family here and have grown my business here. It’s important to me to make sure our business community remains strong so our communities can prosper. This is why I have invested in Shawano Country Vision 2017 - a plan to create 1,000 jobs over the next 5 years. I hope you will join me to make our communities the best they can be.”

—Charlie Harvey,  
Charlie’s County Market
