

Kuhns sponsor 15th barn quilt

“When I first read about the barn quilt project, I told my wife I had to have one,” Dale Kuhn said. The quilt pattern Kuhn selected is called “Four Flags” and adorns the Kuhn barn at W10119 County M, Shawano. The farm where Dale lives with his wife, Susan, and son, Charlie, was originally owned by Clarence Westphal and was built in 1907.

Kuhn purchased the farm from Steve and Bernadette Conradt in 1994, where he raises a few beef cattle.

“We are really happy with how the barn quilt looks,” Susan said. “The barn quilt project should really help promote this great area we live in,” Dale added. “My family and I feel very fortunate to live in this beautiful rural area.”
