

Nineteenth barn quilt has patriotic theme

Robaidek Custom Liquid Waste Dispersal, owned by Russell and Kris Robaidek and family, sponsored the 19th Shawano county barn quilt.

It is on their barn at N3077 County F, Pulaski, which was built in the 1920s. The quilt pattern selected is called "Pinwheel Star."

The Robaideks, who have two daughters, Brooke and Beth, and a son, Bryce, purchased their farm in 1994 and take a lot of pride in maintaining their buildings and farmstead.

"We think the barn quilt project is a great way to draw attention to the wonderful old barns around the county," Kris said. "We hope people will take time to go for a 'Sunday' drive to see them."
