

Brokiewiczzes sponsor sixth barn quilt

Dan and Cynthia Brokiewicz, W3628 County Road BE, Bonduel, have sponsored Shawano County's sixth barn quilt. The quilt pattern they selected is called "Gentleman's Fancy."

Dan and Cynthia have lived at their present location since purchasing the farm in 1982. "We love old buildings, even though it takes a lot to keep them up," Dan said, "so we take pride in making sure our place looks nice."

Their decision to sponsor a barn quilt was made after they saw similar quilts in other counties. "When we heard a barn quilt project was being started here, we said we just had to have one on our barn," Dan said.
